

## A LIFE CHANGING EVENT

### AN UNFORGETTABLE EXPERIENCE

The food packaged at these events is delicious and helps restore the orphans' health, strengthens their immune system, reverses the starvation process, and improves their mental and physical alertness. Each package provides six nutritionally complete meals all for only 23¢ per serving.

Volunteers give of their time, knowing that their participation was more than just another team-building activity ... their involvement is literally saving the lives of thousands of innocent orphans.

The orphan's health is vastly improved, and the volunteer's life is forever transformed.

All donations are tax-deductible

## HANDS-ON LIFE SAVING

### FOOD PACKING EVENT

Food for Orphans food packing events are unforgettable. Volunteers package and ship meals of rice, protein, vegetables, flavorings, vitamins and minerals to hungry orphans around the world.

Food Packing Events are fun-filled activities where anyone of any age can participate, making them fantastic team-building or family day events.

### FOOD FOR ORPHANS

The food you pack will be shipped to a verified international orphan project, enabling you to follow its usage & impact.

**Every two seconds a  
child starves to death**

### ACTIVITY

For two hours, participants measure and combine the special ingredients into plastic bags, weigh and seal the bags, and place them in provided cardboard boxes for shipping.

### SPECIAL NUTRITION

Each completed package contains six highly nutritious, fortified and delicious easy-to-cook meals that have been specifically designed by scientists to save the lives of starving children.

**Global Acceptance:** Rice, a globally utilized staple, is used as the base.

**Protein Rich:** Each package contains 66 grams of healthy protein.

**Vegetables:** Each package contains flavorful dehydrated vegetables.

**Vitamin & Mineral Fortified:** Each serving contains 21 essential vitamins & minerals.

**Multiple Servings per Package:** One package provides six easy-to-fix servings.

**Simple to Prepare:** Boil the package contents in water for twenty minutes.

**Long Life:** Each sealed package has a shelf-life of three years.

### COST

For only 23¢ a meal, you can eradicate hunger and starvation in an orphan's life. This covers the cost of the raw food ingredients, the materials used for packing, and most of the shipping costs to an international orphan project.

Each volunteer participant can pack one box of 216 meals (\$50 per person.)

Participants can give the full donation or partner with friends, family, church, employers, sponsors, or businesses.
